To Whom it May Concern:

The attached legislation is to be distributed to all known agents, affiliates, associations, cosigns, et. al.

The Ordinance of Estates is a Public Law designed to allow you the opportunity to rectify, resolve, and cure any mis takes your agency has been involved in under Corporate Policy and agenda.

As you know, human trafficking is unlawful, however, Corporate Policy has allowed you by Private Acts and Acts of Commerce to kidnap human beings and bring them before Courts maintained by Banks, under Color of Law. This action is known as Privateering.

This is the only notice you will receive. Notice to Agent is Notice to Principle, Notice to Principle is Notice to Agent, meaning if you are not with Authorization to Cure you are required by Law to Notify your Superiors, and if you are in a position of Authority, and one of your agents shall unlawfully Kidnap a human being, you shall also be held accountable.

Ignorance of the Law is No Excuse.

If your Corporation/Foreign State is operating under Private Act and Acts of Commerce, you are without Sovereignty and Immunity, as per 28 U.S.C. Chapter 97 (Foreign Sovereign Immunities Act).

Commercial Crimes, are defined under 27 C.F.R. 72.11.

Commercial crimes. Any of the following types of crimes (Federal or State): Offenses against the revenue laws; burglary; counterfeiting; forgery; kidnapping; larceny; robbery; illegal sale or possession of deadly weapons; prostitution (including soliciting, procuring, pandering, white slaving, keeping house of ill fame, and like offenses); extortion; swindling and confidence games; and attempting to commit, conspiring to commit, or compounding any of the foregoing crimes. Addiction to narcotic drugs and use of marihuana will be treated as if such were commercial crime.
